**Trinity Episcopal Church
55 George Street
Allendale, NJ**

Multimedia artist Jane Brennan presented a wonderful workshop for us last October, and is back again by popular demand. Jane will introduce workshop participants to alcohol inks, the materials needed, sources for materials, and how it can be used. This includes the various surfaces to which it can be applied. We will be experimenting with ink application variations on ceramic tiles. It will be fun, and the results will be beautiful.

Ms. Brennan will bring all supplies. All you need to do is show up, learn, and have a good time. There will be a \$15 materials fee, which can be paid directly to Jane on the day of the class.
